## **Job Posting – Trainer Local 110**

**Position:** Training coordinator

**Location:** Local 110

**Employment Type:** Full-Time (40 hours per week with schedule flexibility)

Local 110 is seeking a motivated **Trainer** to join our team on a full-time basis. The successful candidate will be responsible for delivering high-quality training programs, mentoring apprentices and members, and supporting the ongoing development of the Mechanical Insulation trade.

### **Qualifications:**

- Must possess a **Red Seal Journeyman Certificate in Mechanical Insulation (Heat & Frost Insulator)**
- Extensive knowledge and practical experience in the Mechanical Insulation trade
- Strong communication and presentation skills
- Ability to instruct and mentor apprentices and journeymen
- Experience delivering trade or safety training is considered an asset
- Strong organizational and administrative skills
- Ability to work independently and as part of a team
- Must have valid passport or able to attain one
- Working some weekends and nights

### **Responsibilities:**

- Deliver classroom and hands-on practical training
- Prepare and maintain training materials and records
- Support apprenticeship development and trade advancement
- Ensure training is conducted in accordance with applicable safety standards and industry best practices
- Assist with the development and improvement of Local 110 training programs
- Maintain a professional and positive learning environment
- Travel will be required

### **Application Process:**

Interested applicants are invited to submit a résumé and copies of relevant certifications to [Leslier@insulators110.com](mailto:Leslier@insulators110.com). Resumes will be accepted until June 26, 2026.

**Local 110 is committed to providing equal opportunity and encourages qualified members to apply.**
